For Your Consideration:

1. [One-Day Race Management Seminar](#) - West Dennis YC (Sunday June 28) This seminar is designed for those working on race committees at your local club. The Race Management seminars are one of the best courses that US Sailing offers, taught by knowledgeable people happy to share their experience. Whether your club is running local club races or something as big as BBR, this one day seminar is the first step. Space is filling up fast; don't be left behind. [Registration](#) (scroll down until you find the West Dennis Course)

2. **SM Sailing Regattas** - The first SMSA regatta, the [junior triple-handed for the Cummings Cup](#) is slated for Friday June 26- Saturday June 27, 2015 at Pleasant Bay CB's new home on Pleasant Bay. NOR and registration will be available starting on June 10th.

3. Looking to save some money? Who isn't? Why not sign your club up to be US Sailing MVP. It costs nothing to become a US Sailing MVP Club. **Club members who join through the MVP Program receive up to 20% off** their US Sailing membership dues, and the club receives a portion of each member's dues in their **US Sailing MVP account** to expand access to US Sailing programs and products. Clubs can use their MVP account to do a variety of things. Well worth the effort. For [more info](#)
