For your Consideration:

1) Training: As advertised last issue, the 2017 Summer US Sailing Training calendar is now posted on the SM Sailing

website - click on the training link below. Level-1 and Level-2 Instructor courses have been set up in every corner of the district using a variety of formats. Hopefully, everyone will find one that fits their schedule. If your club wants to host a US Sailing course (level-1, Level-2, Level-3, Race Management), please [contact me](#) to discuss possible dates.

A reminder: Registration for all US Sailing Courses is first come, first served.

2) Symposium: Final call for the Fall 2016 US Sailing Regional Symposium at Duxbury Bay Maritime School - Friday December 16, 2016. This is a must attend for anyone involved with their club's junior and adult program(s). Don't reinvent the wheel. Come hear how others have solved your problems before. I guarantee that you will leave Duxbury with at least one new good idea. I hope to see a lot of you there on Friday.
