For your Consideration:

1) E-mail List Expansion:

Each week in the summer or month in the winter, I write the SM Sailing blog. I try to make them interesting, highlight various events or regattas, and general keep everyone in the know. Sometimes I wonder if anyone even reads them. I mean, I can see that the e-mail is opened, but is it read, digested, acted upon. And, if so, by whom. This month, I want to generate more contact. So I am offering a challenge. The sailing organization that adds the most new members to the e-mail list between now and May 1st will get a "big prize".

Forward the e-mail link to everyone in your club. Let's see what happens.
