#### **For your Consideration:**

Happy New Year. It's been a while. Starting this month "This Week in SMSA" will be e-mailed out on the 15th and 30th. In the summer we will go every week.

In this edition, please read up on the following:

1) **US Sailing Leadership Forum** starts in 3 weeks. There is still time to register and I can't recommend this event enough for anyone in the sailing industry.

2) **2020 Regatta Dates.** The calendar is starting to be built out. If your club's regatta is not listed, that is because SM sailing does not know about it. Let me know and I will add it.

3) **Training:** The 2020 US sailing Level-1 Instructor, Level-2 Instructor Level-3 Coach and Sailing Counselor courses being offered in SM Sailing were posted today. Registration is first come, first served. Get your slots while they last. Information on Race Management and Judges/Umpires will be coming soon.

4) **Jobs:** Have a job at your club that needs to be filled? Post it on [Sail1design](#), which is the national depository for all sailing related jobs in the country. But also, place it on the SM Sailing website too. Just send me a PDF describing the position and I will get it up.
