Recap of [SM Sailing Board Call - Thursday May 14, 2020](#)

There was a good 75 minute ZOOM call last night involving all corners of the district. The minutes are posted on the website under [Meeting Minutes](#). (Sorry. I did not record the meeting or save the Chat. Therefore, I lost the list of who was on the call. So please let me know if your name is not in the minutes).

The big take-aways were:

- 1) **We won't know** what we can do until after the governor's announcement on May 18. The prevailing opinion is that while some business will be allowed to open, recreational facilities may not be in this phase.

- 2) Each club should be developing plans to safely open when it is appropriate , And, each club should appoint a **Covid-19 safety director** who can coordinate the club's actions and be the point person.

- 3) **Every club is going to be different.** We should all be reaching out to our local official (board of health, harbormaster, etc.) and sharing our action plans. Only through a coordinated effort will we be able to open safely this summer.

4) More Resources: Here are three from last night/this morning that were shared. They are also posted on the SM Sailing homepage.

- www.restartsailing.org is a list of resources from clubs worldwide. Many are sharing ideas and protocols that they have use to re-open.
- [Document](#) from Mike Murphy at Scituate Harbor YC with CDC Camp & CDC School guidelines
- [US Sailing Junior Sailing Guidelines](#) (2020-5-6)

The SM Sailing Board will be holding open ZOOM meeting every other Thursday until further notice. Everyone is welcome to join. Log in info can be found on the [Meeting Minutes](#).
