

Sailing Poll - Program Information

[December Poll question results](#)

For your Consideration:

There are now less than six month until summer and so much to do before it all starts. The regatta calendar needs to be completed. Some clubs have been proactive with their dates, some are still dragging their heels, and others are completely MIA. Check the [regatta schedule](#). If you don't see your regatta listed, please let me know.

Training is the other big questions - Instructor,

coach, race management, judges. I am working hard on that information and feel confident to that I will have some (maybe all) that info to share in February.

Finally, in an effort to share more information, I have started a month poll question. Click on the link above and get involved. More input gives a better set of data.
